

## Simply Worn Out

### How Many Women Are Like This?

Can anything be more wearing for women than the ceaseless round of household duties? Oh! the monotony of it all—work and drudge; no time to be sick; tired, ailing, yet cannot stop. There comes a time when something "snaps" and they find themselves "simply worn out," and to make matters worse, have contracted serious feminine disorder which almost always follows the constant overtaxing of a woman's strength.

Then they should remember that there is no remedy like Lydia E. Pinkham's Vegetable Compound—the experience of these two women establishes that fact:

Cedar Rapids, Ia.—"After the birth of my last child I had such painful spells that would unfit me entirely for my household work. I suffered for months and the doctor said that my trouble was organic and I would have to have an operation. That was an awful thing to me, with a young baby and four other children, so one day I thought of Lydia E. Pinkham's Vegetable Compound and how it had helped me years before and I decided to try it again. I took five bottles of Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and since then I have been a well woman, able to take care of my house and family without any trouble or a day's pain. I am ready and thankful to swear by your medicine any time. I am forty-four years old and have not had a day's illness of any kind for three years."—Mrs. H. KOSKIO, 617 Ellis Blvd., Cedar Rapids, Iowa.

Sandusky, Ohio.—"After the birth of my baby I had organic trouble. My doctor said it was caused by too heavy lifting and I would have to have an operation. I would not consent to an operation and let it go for over a year, having my sister do my work for me as I was not able to walk. One day my aunt came to see me and told me about your medicine—said it cured her of the same thing. I took Lydia E. Pinkham's Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and they have cured me. Now I do my own household work, washing and ironing and sewing for my family and also do sewing for other people. I still take a bottle of Vegetable Compound every spring for a tonic. I recommend your medicine to others who have troubles similar to mine and you can use my letter if you wish."—Mrs. PAUL PARSONS, 1323 Stone St., Sandusky, Ohio.

### Prison Pride.

"I hope," said the governor to the departing convict, "that you won't go back to your old associations." "No, sir. I don't propose to associate with anybody who didn't have the advantages of just as good a prison as I had."

### RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and ¼ oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. It will gradually darken streaked, faded gray hair, and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.—Adv.

### Killing Romance.

Justwed—Hadin't we better burn all those old love letters I sent you? Mrs. Justwed—Oh, no, Jack. Perhaps after we have been married a while we'll get bored some evening and want something funny to read.

"Now, sir," said the salesman, "this clock will last you a lifetime." Lateman looked dubious.

## Stock Raising in Western Canada

is as profitable as grain growing. Successes are wonderful as those from growing wheat, oats, barley, and flax have been made in raising Horses, Cattle, Sheep and Hogs. Bright, sunny climate, nutritious grasses, good water, enormous fodder crops—these spell success to the farmer and stock raiser. And remember, you can buy on easy terms

Farm Land at \$15 to \$30 An Acre

—land equal to that which through many years has yielded from 20 to 45 bushels of wheat to the acre—grazing land convenient to good grain farms at proportionately low prices. These lands have every rural convenience: good schools, churches, roads, telephones, etc., close to live towns and good markets. If you want to get back to the farm, or to farm on a larger scale than is possible under your present conditions, investigate what Western Canada has to offer you.

## HOOVER MAKES A STATEMENT

WILL VOTE FOR TICKET THAT STANDS FOR LEAGUE BUT WAITS FOR PLATFORMS.

## IS NOT A CANDIDATE

HOOVER WILL "EXERCISE RIGHT OF AMERICAN CITIZENSHIP" ON BALLOT.

Western Newspaper Union News Service.

New York, Feb. 9.—Herbert Hoover has issued a statement defining his attitude toward the presidency.

He announced that he is not a candidate for the nomination and that no one is authorized to speak for him politically. If the league of nations is made an issue in the election, he says he will vote for the party that stands for the league.

In response to requests that he declare allegiance to either one or the other of the great political parties, Mr. Hoover says he will wait until it more definitely appears what the party managers stand for, and will "exercise a prerogative of American citizenship and decline to pledge my vote blindly."

His statement follows:

"In order to answer a large number of questions all at once, let me emphasize that I have taken a day off from the industrial conference in Washington to come to New York solely to attend to pressing matters in connection with the children's relief. I am not a candidate. I have no 'organization.' No one is authorized to speak for me politically.

"As an American citizen by birth and of long ancestry, I am naturally deeply interested in the present critical situation. My sincere and only political desire is that one or both of the great political parties will approach the vital issues which have grown out of the war and are new, with a clear purpose looking to the welfare of our people and that candidates capable of carrying out this work should be nominated.

"If the treaty goes over to the presidential election, then I must vote for the party that stands for the league. With it there is hope not only of the prevention of war, but also that we can safely economize in military policies. There is hope of earlier return of confidence and the economic reconstruction of the world. I could not vote with a party if it were dominated by groups who seek to set aside our constitutional guarantees for free speech or free representation, who hope to re-establish control of the government for profit and privilege.

I could not vote with a party if it were dominated by groups who hope for any form of socialism, whether it be nationalization of industry, or other destruction of individual initiative. Both these extremes, camouflaged or open, are active enough in the country today. Neither of the dominations would enable those constructive economic policies that will get us down from the unsound economic practices which of necessity grew out of the war, nor would they secure the good will to production in our farmers and workers or maintain the initiative of our business men. The issues look forward, not backward.

I am not unappreciative of the many kind things that my friends have advanced on my behalf. Yet, I hope they will realize my sincerity in not tying myself to undefined partisanship.

### \$1,000,000 Saved Annually.

Washington.—Savings of more than \$1,000,000 annually have been effected by the organization of the division of operations of the Shipping Board, Chairman Payne announced in a report made public. Reductions were made in the annual salary outlay totalling \$739,875, by dropping 455 employees from the rolls, the report states. More than \$100,000 yearly, the report asserts, is expected to be saved by the discontinuance of printed publications.

### British Send Marine Guards.

Constantinople.—British marines have landed at Panderma, because of the recent capture by the Turks of a Turkish arms depot at Akbarli, near Chanak, on the Dardanelles. Small detachments of the British are on guard. There have been no casualties. French troops have also reinforced the gendarme at Adrianople and it is reported that British artillery has been landed at Ismid, the terminus of the Bagdad railway.

### Many Injured in Hotel Fire.

San Francisco.—Twenty-five persons, mostly women, were in hospitals suffering from burns received in a fire which burned through every floor of the five-story Berkshire apartment hotel here. The fate of a number of others declared by police to have been trapped on the fifth floor are unknown. The fire department believed no one living on any of the four lower floors lost his life, their ladders reaching that high, and many being taken from fourth-floor windows.

### JUST THE THING FOR PRINCE

Conditions Being in Europe What They Are, Press Agent Had Decidedly Good Idea.

I assisted the other day at what may prove to be the springs and origin of the next great international marriage. The press agent for an organization which deals in philanthropy for Europe was talking:

"I want to bring Prince Dolotski over here next year," said he. "I think I can marry him to some nice American girl."

"That'll be nice," I said. "Especially for the prince."

"That's right," said the press agent, seriously. "There isn't a royal family in Europe that is open to him just now. He could not get into some of them—he isn't such a much of a prince, you know—and it would not pay him to marry into some of the others. They have no money or thrones or palaces or anything left."

"So you think it would be a good idea for him to marry into some well-to-do factory family over here?"

"Sure," said the press agent.—New York correspondence of the Kansas City Star.

Mr. Multitox—Are you sure you love me for myself alone? Miss Manchester—Absolutely. But then, your money will give me more leisure in which to realize it.

Love originates in the heart; brain has nothing to do with it.

### Proved His Deep Love.

A remarkable will has just been admitted to probate in England. It is that of a British soldier, Lieut. Frank R. Kirkley, wounded in action, and who died at the Twenty-fourth casualty station, Italy. The will is written upon the back of a small photograph, autographed "Muriel," and contains only the words: "I leave all to her. Frank E. Kirkley, 13th July, 1917." The identity of "Muriel" was easily established as Miss Annie Muriel Kyrke Smith of Larkhill, Salisbury Plain. The value of the property was about \$1,500, but it causes a heart throb to realize that the last thought of the dying lieutenant was for the woman of his heart.

### How It Started.

With the death of Sir William Osler the old story that he advocated chloroforming men at sixty is being repeated in its original unqualified form. It is worth repeating that in his speech which gave rise to the sensational story he referred jocosely to "the admirable scheme" in Anthony Trollope's novel, "The Fixed Period," of a college into which at sixty men retired for a year of contemplation before a peaceful departure by chloroform, and speculated on what the effect would have been upon human progress.—Springfield Republican.

## MILLIONS Suffer from Acid-Stomach

Millions of people suffer year after year from ailments affecting practically every part of the body, never dreaming that their ill-health can be traced directly to acid-stomach. Here is the reason: poor digestion means poor nourishment of the different organs and tissues of the body. The blood is impoverished—becomes weak, thin, sluggish. Ailments of many kinds spring from such conditions. Biliousness, rheumatism, lumbago, sciatitis, general weakness, loss of power and energy, headache, insomnia, nervousness, mental depression—even more serious ailments such as catarrh and cancer of the stomach, intestinal ulcers, cirrhosis of the liver, heart trouble—all of these can often be traced directly to acid-stomach. Keep a sharp lookout for the first symptoms of acid-stomach—indigestion, heartburn, belching, food repeating, that awful painful flat after eating, and sour, gassy stomach. EATONIC, the wonderful modern remedy for acid-stomach, is guaranteed to bring quick relief from these stomach miseries. Thousands say they never dreamed that anything could bring such speedy relief—and make them feel so much better in every way. Try EATONIC and you too, will be just as enthusiastic in its praise.
